Naples, Fla. — The Florida Department of Health in Collier County (DOH-Collier) has lifted the precautionary swim advisory for Tigertail Beach. Testing results indicate bacteria levels are within the accepted healthy level.

The beach water quality monitoring program continues year-round in Collier County and samples are collected and tested on a weekly basis. The results are posted on the Florida Healthy Beaches Program website at www.floridahealth.gov/environmental-health/beach-water-quality/index.html.
